Manufacturing

Rich Sesame Taste

担々麵 V

Soymilk Tantanmen

Mix 60g Tantanmen V with 300ml hot soymilk. Add boiled noodles (1 serving) and other toppings.

Cold Tantanmen

Mix 60g Tantanmen V with 180ml cold water. Cool boiled noodles (1 serving) and then add into soup with other toppings.

Soupless Tantanmen

Drain boiled noodles (1 serving). Add 30g Tantanmen V, 20g sesame oil with other toppings and mix well.

Ramen Soup TANTANMEN V

A rich and creamy Tantanmen soup base made entirely from plant-based ingredients. The combination of bold sesame aroma and variety of spices create the deep flavor with mild and smooth profile.

Plant Based

Non MSG Added

Spicy Tantan Hotpot

Mix 120g Tantanmen V with 720ml hot water. Add favorite ingredients and stew.
